

Yvonne Phillips Cakes

Yvonne is passionate about tasty food that doesn't have to cost the earth - literally! She has been a home baker for 40 years and believes in creating flavoursome quality cakes at an affordable price. Where possible local ingredients are used, supporting our local producers and local economy, using **local flour from Walk Mill, Cheshire free range eggs, and British butter (never margarine) making it an even tastier product.** The cakes are freshly made, with no added preservatives. They can be frozen on day of purchase.
