

Fri 16th Sep 10.00 am – Visit to The Random **Apple** Company,
Swanscoe, Cheshire **Apple** Pressing and Picnic

Visit the Applery, set up in 2014, and see how the apples are washed, sorted, pressed, pasteurised and bottled to make their delicious refreshing apple juice.

Please bring along any apples (preferably 'eating' varieties) you have grown or collected and have a go at pressing.

You can then exchange half the apple weight donated for already pasteurised bottled juice!

Light refreshments will be available on the day but please feel free to bring along a little picnic so you can sit and enjoy the surrounding countryside after the talk.

Supervised children are welcome on the visit.

Please advise to orders@food4maccdirect.co.uk if you would like to book on this visit, specifying how many places.

The visit is free.

There will be Random **Apple Company bottles and preserves should you wish to make any purchases on the day.**
