## Bacon and Sausages

**Food4MaccDirect** is offering delicious bacon and pork sausages from outdoor reared Gloucester Old Spot pigs raised at Rushey Hey farm in Congleton. Their ethic is to ensure that their animals have the best life possible. They graze naturally and their normal feed is supplemented with fresh vegetables, potatoes, roots, apples and other fruit.

The bacon is all dry cured with no added water and is supplied in vacuumed packs of 4 rashers either short back which is just back bacon or long back which is the short back with the streaky part attached. **Members' price is £3.50 for the pack of short back** (approx weight 200 gm) and **£4.40 for the long back** (approx weight 250 gm). Non-member prices are £3.90 and £4.80 respectively. *(If the actual weight varies significantly the price will be adjusted accordingly).*

The sausages are either traditional pork sausages or flavoured pork sausages and come in trays of 6. The flavour provided will be farmer's choice and can be one of nine different flavours. **Members' price is £3.00 for traditional pork** (pack of 6) and **£3.25 for flavoured pork** (pack of 6). Non-member prices are £3.30 and £3.55 respectively.
