

Food4MaccDirect Customer Visits 2016

'Bees For Us' Honey visit

Sat 30th July 11.00 am -

Come and see the bees in action.

Mick from Bees for Us keeps about 200 hives throughout Cheshire and Staffordshire including Gawsworth, Upton Priory and Mottram.

You will be given protective clothing to visit the hives, see how the honeycomb is produced and see the bees collect their nectar from a variety of plants including clover and blackberry.

This event is free and you would make your own way there. The meeting point and directions will be advised nearer the time.

Suitable footwear and long sleeves/trousers must be worn.

Duration of visit is approx 1 - 2 hours including light refreshments.

Please email orders@food4maccdirect.co.uk if you wish to attend this visit.

N.B. Places are limited.
