

Our next open meeting is on Monday 20th May, at St Michael's Church.

With calls for a climate emergency, action on air quality and school strikes across Europe, it feels as though momentum is building. Local action can make immediate changes happen on our doorstep.

Come along to find out more or get involved:

ECOYOUTH: Help make banners and plan for the Fridays For Future event in Macclesfield Town Centre on the 23rd June or help make Ecobricks for the Wild Flower bed project. We have lots of plastic, but please bring your bottles for filling.

UPDATES about project groups: Litter, Repair, Mug Library, Bees and Pollinators, Transport, Plastics, plus Marketing and Media

ECO-NETWORKING share information, suggest new ideas, ask for feedback or get involved.

All welcome. Doors open at 7pm for hot drinks (donations for the Church and the Ecobricks project welcome), meeting starts 7.30pm.

Hope to see you there!
